Join the thousands of golfers who have learned how to hit longer drives, make straighter shots, sink more putts and shoot lower scores *in only 2½ hours* at Darrin Gee's nationally-acclaimed Spirit of Golf Academy!

Golf pioneer and innovator Darrin Gee created the Seven Principles of Golf™, a revolutionary technique that can dramatically help golfers of all levels from PGA Tour professionals to pure beginners play their best golf with effortless ease.

This highly personalized program takes place entirely outdoors on the driving range, putting green and chipping area. All clinics are small with a target 4-to-1 ratio and are offered exclusively at several championship golf courses on the Big Island of Hawaii.
